LIVE BETTER. EAT BOULDER.

Made from just one primary ingredient—100 percent real vegetables.

Experience a boulder taste. Served as a simple, low carbohydrate grain substitute, an on-trend side item or used as an ingredient in your specialty entree creation, Boulder Canyon™ Riced Vegetables are sure to add boldness to any meal. Each variety features premium quality vegetables that are pre-washed, pre-cut and riced to the perfect consistency. They're ready to heat and serve–from package to plate in as little as three minutes!

Simple. And sensational!

Nothing but 100 percent real vegetables. Period. And each delicious and nutritious portion counts as a full serving of vegetables, according to USDA guidelines.
