Willamette Valley Fruit Company
Attn: Stephanie Barrett
2994 82nd Ave NE
Salem, OR 97305

Dear Stephanie,

I have reviewed the following new Unique Product Applications (UPAs) submitted for products processed for Stahlbush Island Farms, Inc.: **IQF Black Raspberries, IQF Blueberries**. These new products have been approved and added to your certification record.

Following is an updated list of products on which Willamette Valley Fruit Company is approved to make certification claims. Please be reminded of your certification renewal date of **5/16/2017**, by which date a renewal application should be submitted to once again renew your Restricted Handler Approved status:

Certified Products: IQF Strawberries, IQF Red Raspberries, IQF Black Raspberries, IQF Blueberries (processed for Stahlbush Island Farms, Inc.)

Sincerely,

Heather Saam
Certification Manager
